

In Memory of Ted Sapper

In December of 2003, The Sapper Family, of Indianapolis, Indiana would have their lives changed forever when the news arrived that their father, Theodore Sapper was diagnosed with a brain tumor. On March 16th, 2004, just over three months after his diagnosis, Theodore was lost to the Sapper family due to a glioblastoma multiforme (GBM) brain tumor.

Moved by his passing and the knowledge that over 50,000 people per year are affected by brain tumors, The Sapper Family decided to raise funds and awareness for brain tumors and the families that it affects.

Working with their friends and community as a whole, they created the annual "Head for the Cure" 5K Fun Run/Walk to benefit the American Brain Tumor Association.

Donation Form

(Available at www.braincure.org)

As a nonprofit organization, the American Brain Tumor Association (abta.org) relies on charitable donations to fund research and patient services. They do not charge for their materials and the ABTA receives no federal funding.

To help the ABTA continue their tradition of giving, consider making a donation to support the many ABTA programs. There are many ways to give:

Make a donation in the memory of someone. The ABTA will send a card to the person you designate notifying them of your gift.

You can also make a general donation to the ABTA in care of our event.

Event Liability Waiver

In consideration of the acceptance of my entry, I for myself, my executors and assignees, do release and discharge the Organizers of the event, its volunteers and any other sponsors from all claims of damages, actions and causes of action, whatsoever, in any manner arising or growing out of my participation in said athletic event. I hereby attest that I am physically fit and able to participate in the 2012 Head for the Cure 5K run/walk

(Signature line available to your right)

We express our appreciation to our sponsors, patrons and supporters:
